

## DAY AFTER DAY

Day after day after day  
After day after day after  
Day after day always  
Waiting hoping  
Day after day after day  
Always thinking praying  
Day after day after day  
Always dreaming...

And one day,  
One wonderful day,  
You, just you,  
Right you, my you,  
The one that I was fated for.

And now ,  
Day after day after day  
I'm living like in Heaven,  
No anguish, no fears,  
No solitude, no sadness,  
No sense of empty soul,  
For ever and again,  
Because of you.

And one day,  
One wonderful day,  
You, just you,  
Right you, my you,  
The only one that I can love

And now,  
Day after day after day,  
I'm flying over the mountains,  
The deserts, the oceans,  
The moors, the dales, the cities,  
And even over the clouds,  
For ever and again,  
Because of you.

## Love's Shadows

One candle is enough.  
Its dim light fits much more  
And they will like it better,  
When they will come,  
Love's shadows, love's shadows.

One candle is enough.  
Oh my room tonight  
Don't be too bright!  
Plunged into my dreams,  
Lost in this enchantment,  
In this dim light,  
Plunged into my dreams,  
I will fancy coming the shadows,  
Love's shadows, love's shadows.

## THANK YOU FOR ALL

Thank you for all  
You've done for me, my Dove.  
Our love affair  
Was such a wonderful romance.  
We shared so many happy moments  
And events that  
I will never forget.

You have been  
As nice to me  
As nobody else.  
I will have these memories  
For ever as will you,  
I will be a stronger person.

Thank you for all  
You've done for me, my Dove.  
Our love affair  
Was such a wonderful romance  
I could not have enjoyed  
Any of the many things  
We enjoyed together  
Without you.

Thank you for all  
You've done for me, my Dove.
